

MAINE TRANSPORTATION AWARDS CALL FOR NOMINATIONS

This year on October 27 in Freeport, members of Maine's transportation community will gather to honor leaders in our field – people who have made a significant contribution to the state and local transportation system through their vision, leadership, commitment and hard work.

We need your help to identify individuals who you believe have stood out for:

- 1) volunteer work;
- 2) excellence in public advocacy;
- 3) achievement in public service; and
- 4) outstanding lifetime achievement.

The Maine Transportation Awards were founded in 1983 and play an important role in our history. They recognize a distinguished group of transportation professionals who have shown extraordinary dedication to MBTA's mission of advancing transportation in Maine.
