May 14, 2018

Dear Members and Friends,

It's that time of year when we all get together to support the MBTA Infrastructure Fund – and help build a safer, more efficient transportation system for future generations of Mainers. This year marks the 22nd anniversary of the annual Infrastructure Golf Classic, an event that not only furthers our mission, but is also a fun day to network with MBTA members. This year, we are pleased to return once again to the Augusta Country Club in Manchester for a day on the greens.

The Infrastructure Development Fund supports MBTA's efforts to communicate some of our most important messages: that transportation investment creates jobs, boosts the economy and improves Maine's position in the global marketplace.

The Infrastructure Golf Classic is the major fundraiser for this fund, and this year's event will help build the resources the MBTA needs to advocate for infrastructure investment across all of Maine.

We rely on the generous support of MBTA members and friends like you to make this event a success – and such an enjoyable part of the MBTA calendar. Please consider attending and sponsoring our 22nd anniversary event.

Finally, I would like to say thanks to our Golf Planning Committee for all the hard work they do to make this event fun and successful. And be sure to register early – the tournament has sold out early for the past several years!

Pat Sughrue, *MBTA President*

P.S.

Register on line at www.MBTAonline.org/Events or fill out the accompanying forms. See you on the links!
